

Privacy Notice

...Happen is committed to maintaining the trust of visitors to our website. Contact details given are only used to respond to enquiries, they are not stored. We do not trade your details with other companies for the purposes of marketing. Read on for further information.

Types of data we collect

This website uses Google Analytics, to collect standard internet log information and details of visitor behaviour patterns. This information is only processed in a way which does not identify anyone. We do not make, and do not allow Google to make, any attempt to find out the identities of those visiting our website.

Links to Other Web Sites

This privacy notice does not cover the links within this site to our client's websites. Those sites are not governed by this Privacy Policy, and if you have questions about how they may use your information, you'll need to check that site's privacy statement.

Third Parties

We only share information for the purposes of sending quotations/invoices. This will include your company name, address and other relevant contact details. We use an accountancy service called Xero who hold your company information on servers located in the United States. You can find their Privacy Policy here <https://www.xero.com/uk/about/terms/privacy/>

Access to your information

You are entitled to view, amend, or delete any personal information that we hold. Email your request to our data protection officer - wanda@happenweb.com
